TO: County Agricultural Commissioners

SUBJECT: SUMMARY OF HAZARD
COMMUNICATION RECORDS/DOCUMENTS

Attached is a generalized summary of the various sections of Title 3 California Code of Regulations, that relate to hazard communication issues. This is an update of the original chart developed by the Branch in 1991 to compare our program with Cal/OSHA. The chart is intended to be a reminder rather than an authoritative reference. I am sending it to you in the hope that you may find it a useful handout.

If you have any questions, please contact your Liaison Senior, or you may contact Roy Rutz by E-mail at rrutz@cdpr.ca.gov, or by telephone, at (916) 445-4279.

Sincerely,
